Adding Images

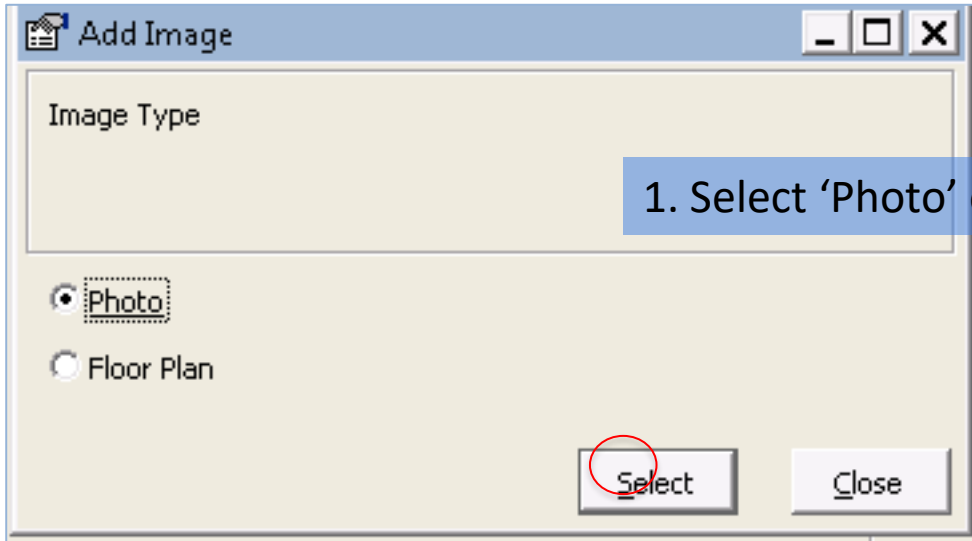

1. To add images and floorplans simply use the media manager. Click Media Manager.

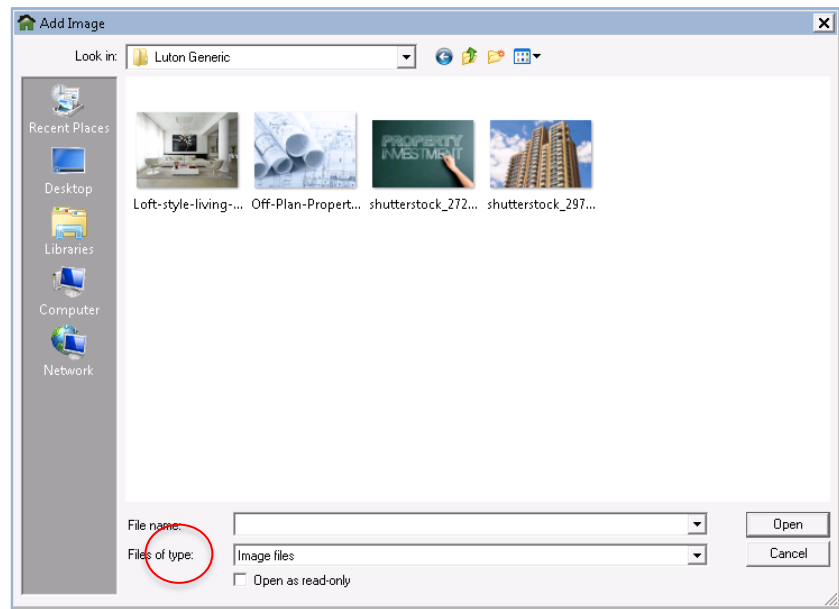

2. The Media Manager allows one to add images, including non-JPEG files, and floor plans. One can re-order the media to contextualize the advertisement to the viewer i.e. front of house image > living room image > bedroom image > communal garden image > residents gym > floor plan

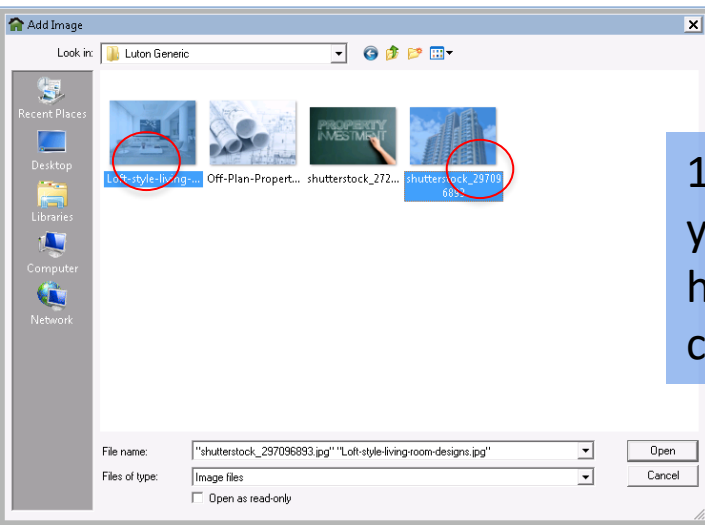

Adding Images

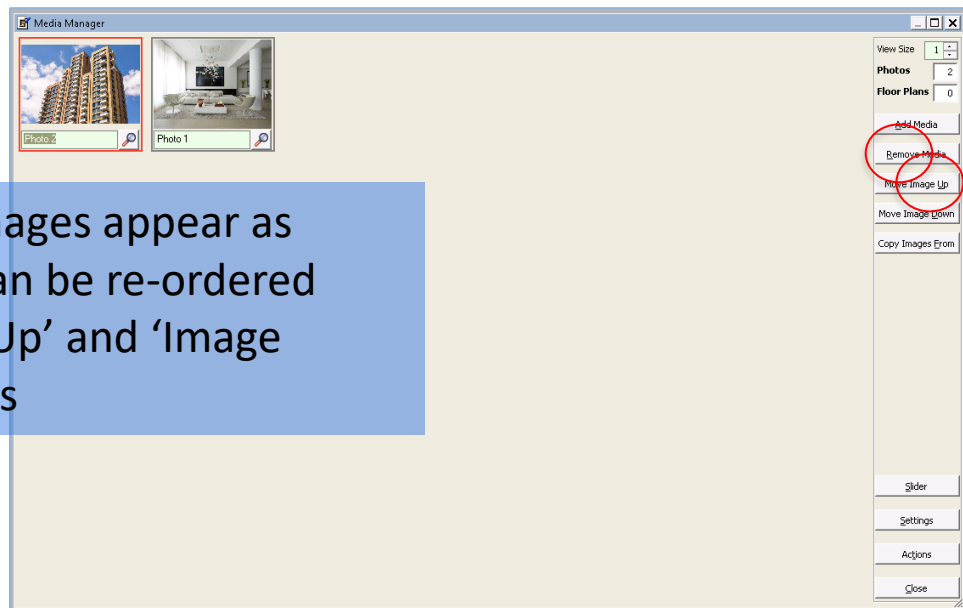

2. Locate files using the browser. Note: some developers give files that are not JPEGs and you can reveal these by changing 'Files of Type' from 'Image files' to 'All files'.

Adding Images

1. Select relevant images. Note: you can manually select by holding the ctrl key (Windows) cmd key (Mac)

2. Selected images appear as shown, and can be re-ordered using 'Image Up' and 'Image Down' buttons

Adding Images

1. Close Media Manager to show larger files than the thumbnails previously re-ordered.
